## SATURDAY CLUB STUDENTS

Tuesday, 17 October 2017

Dear Parents and students,

Last Saturday was the fifth Saturday of the first term and we are now settled into the current year 2017 to 2018.

Club is a brilliant way to experience the full ensemble of classes at a greatly reduced class rate. Club is for students who take at least four hours of classes on a Saturday and only applies to Saturday classes.

Club rate per 10 week term is €250 for 4 classes, €300 for 5 classes or €350 for 6 classes. This can be paid in advance or weekly at €25, €30 or €35 per week. We ask that all fees are paid weekly or in advance but **not in arrears**. If a student misses a week this must be paid for still. It is policy to send texts if a student falls into arrears. Please note weekday classes are billed differently and are not subject to weekly payments.

At this stage students should know what classes they have settled into and we require all students now to register for the club detailing what classes they are taking and also a **signature from parents or guardians to confirm they understand the payment terms**.
