

21<sup>st</sup> November 2017

Dear Students & Parents,

Our next round of examinations in Ballet will take place in February/March 2019 Applications for exams must be sent to the ISTD before their deadline, as they will not accept late entries. The deadline is 6<sup>th</sup> December 2017. Students who have already completed an exam, should submit their candidate number (this will be on your results sheet or certificate from previous exam.) All students should complete and return form below on or before next Monday, 29<sup>th</sup> November to register for their exam.

Primary Grade	€ 82
Grade 1	€ 87
Grade 2	€ 91
Grade 3	€ 96
Grade 4	€ 101
Grade 5	€ 108
Grade 6	€ 115

This fee also covers expenses of exams on the day , examiners expenses etc. ISTD exams are recognised world wide and also feature highly on the National Qualifications framework when you reach the higher and vocational exams so are a very worthwhile part of your child's dance training and I would strongly advise that all Syllabus students take the exam. It is also a very positive experience which gives students great confidence and a sense of achievement.

PLEASE NOTE, STUDENTS CANNOT REGISTER FOR EXAMS WITH THE ISTD UNTIL THEY ARE 6 YEARS OF AGE.
